St Bernadette's Catholic Primary School

Mission Statement

'I have come so that they may have life and have it to the full ' John 10:10

The Mission for St Bernadette's Catholic Primary School is:-

'…to ensure a loving and faithful learning community in which our children can become the person God created them to be. A community where we celebrate the dignity, worth and uniqueness of every individual. Where we grow and learn together with joy, in the love of Jesus. In this love, we strive to be courageous stewards of creation.'

Together we will: -

- Work together to ensure your child receives a broad, balanced and effective education within a Catholic environment of Faith and Love.
- Support and encourage your child whilst taking part in the spiritual and religious life of the school community, including as part of the parish.
- Ensure your child feels happy, safe in order to achieve the best possible learning outcomes.
- Work in partnership to ensure that the needs of the individual are met and adaptations which may be required to enable every child to succeed happily in their learning, are made.

The family agree to: -

- Encourage and support your child in developing a positive attitude to learning and coming to school.
- Make sure your child is punctual, attends school regularly and to notify school as early as possible on the day of absence.
- To accept that where attendance falls below our expectations, you will need to participate in meetings with the Senior Leadership Team to support your child's improved attendance.
- To support your child's early reading journey by reading at home and supporting their knowledge of phonics.
- Support the school in keeping children safe by supporting school policies on behaviour, online safety, jewellery and medicines.
- To advise the school of any health or relevant family problems which may affect your child in school, so that we can support your child.
- To fully support school policy on school uniform; including the labelling your child's name on their uniform.

.

- Contact school quickly if you become aware of any issue which is adversely affecting your child at school.
- Attend Parent Conference evenings to discuss our child's progress, as arranged.
